¹ Winooski NRCD is required to secure approval from the Vermont Department of Environmental Conservation to subcontract project funds. Early identification of potential subcontractors will help facilitate rapid approval and expedite Agreement Execution. Listed subcontractors are not considered in bid review.

Addendum No. 1
Winooski Natural Resources Conservation District
Contract Plans and Specifications
For Construction of
Shady Rill Recreation Area Stream Bank Restoration

The attention of all bidders submitting proposals for the subject project is called to the following Addendum to the Contract Documents. The items set forth herein, whether of omission, addition, or substitution, are to be included in and form a part of the proposal submitted. All addenda shall be acknowledged in the space provided on the bid form.

1. Incidental "E-5" for Geopave has been added to the bid sheet attached, last revised 7-31-20.
2. Bidders shall assume cost of new piers in "D-2" for Shelter.
3. Cost of stakeout for construction is already budgeted and therefore not the responsibility of the contractor.
4. Spec sheets for the steps is attached. Steps shall be Woodbury Gray with cushion edges.
